

Reading

Don't forget to read five times a week for ten minutes a day. Record your reading session on your bookmark/in your journal.

Mighty Maths

Don't forget to practise your times tables in a variety of different ways! How many can you answer in 2 minutes?

Design and create your own landmark for a European city:

- Model/drawing
- Tourist leaflet
- Postcard

-Interview a member of your family. What can you tell us about their life? Where have they travelled to? What holidays were their favourite?

-Write a story as a sequel to your favourite story. What happens to the characters next? Can you draw your own front cover?

Find a recipe from another country in Europe, e.g. pizza from Italy, paella from Spain...

Make it and get your family to give you a review!

Tadpole Farm CE Primary Academy

Pick and Mix Home Learning 2022/23

Year Four- Term 1

This home learning sheet has activities to support your child's learning at home. They are all based around our topic this term:

Where in the world are we?

These activities are optional but aim to complement our classroom learning and can be shared via Seesaw. Home learning will be shared in school throughout the term.

-Choose your favourite animal. What kind of teeth do they have? Why?

Create a fact report for a TV show or make a poster about your animal.

-Can you put your animal in a food chain?

-our value this term is Friendship. How have you shown friendship at home this week?

-Design a Mandir (Hindu place of worship), that fits in with our community surroundings
