Hot/Sunny conditions - Sun Cream

Some fantastic weather this week - but it does come with the additional need for protection from the sun. We would recommend that pupils have the long lasting sun cream applied before they come to school. They will need to have their own, named sun cream in school with them if you would like it to be applied by them during the day - sun cream is not kept in school and due to allergies we are unable to allow children to share sun cream.

Mrs Salter's Breakfast club - postponed next week

Due to welcoming our Year 6 children into school early for their SATS breakfast next week, Mrs Salter and Mrs Allsopp's breakfast club will not be open.

SATS Breakfast

We would like to invite Year 6 in for breakfast during SATS week. We will be open from 8am, serving sausage and bacon baps, hash browns and cereal. Please come in through the main entrance.

If you do not wish to join us for breakfast please can you arrive at 8:30am so that we can start promptly. There is no cost for the breakfast

Thank you!

Unclaimed Water Bottles

We have another large collection of water bottles, these will be put outside by the second hand uniform boxes by the small hall door please come and have a look and claim

Keeping our Children Safe

As the days grow longer and the weather improves, more of our pupils are spending more time away from home in the community. Please access the website below to find helpful quizzes and tips that will help you support your child in being safe at all times.

In the 'Staying Home Alone' section, you can find advice about whether your child is safe to go out without you.

St Andrew's Church: May Fayre

On Saturday 18th May St Andrew's Church invites you to take a trip back in time to a 1950s-style fayre with traditional stalls and games - from 12 noon to 4pm.

The historic church and churchyard will be open to the public, there will be family friendly activities, competitions, and a small craft market.

There will be a competition for children aged 11 and under, themed on "The May Queen and King", and a baking competition for different age ranges: Under 18s and 18+ years. For the Baking Competition Recipe and Entry form, click [here](#)

Game tokens will be for sale at the gate for £5 for 10 games plus two free games, which can be purchased using cash or card. Cash will also be accepted at the stalls.

Please walk or use public transport as on-site parking will be limited to a small number of disabled bays. The church is located on Tadpole Lane, between Lyall Close and Abbey Caravan Park, with foot access from Lyall Close and Tadpole Lane. The Number 10 bus route passes the church, stopping outside Blunsdon Abbey.

For general and competition enquiries and competition rules, [contact Karen Vermeersch](#), tel: 07443 52262 karenvermeersch@hotmail.com

KS1 Optional National Curriculum Testing (previously KS1 SATs)

Between Monday 20th May and Friday 25th May, Year Two will be completing their Optional National Curriculum papers. We want the children to feel as comfortable and confident as possible so we are putting no added pressure on them other than what they are used to doing through our 'special quizzes' which we practise weekly.

To support your child at home, please make use of the CGP books sent home last week as these look at questions the children will come across in the papers. Please can we ask if you have not already done so to pay for the contribution on Parentpay for the books.

The Department for Education has released some information regarding these papers, which you can see below via the link.

REMINDER - Family Support Drop in Sessions with Mrs Salter and Mrs Allsopp

Our inclusion team will be offering drop in sessions for parents **ONLY** to be able to access wider support if required. These will be happening every Wednesday morning starting next week (Wednesday 24th April) from 08.30am - 09.30am in the NEST which you will be able to access from the side gate in the side car park. (Not through the office) Booking is not required. These sessions can be parents asking for advice and share any concerns they have around their children at home in the way of behaviour, bedtime routines, sleeping, eating, toilet training, wellbeing. These sessions are not to be based around curriculum, if you have concerns around your child's learning, please speak with your child's class teacher.
