Maths Maths resources for teachers White Rose Maths (whiteroseeducation.com)			Place value (within 100)	Place value (within 100)	Money	Money	Time	Time
Science Animal antics			Which animals live around our school?	How many birds visit our bird feeding station?	How do snails change over time?	How should we care for our pets?		
RE How should we care for others and the world, and			Should we care for everyone?	What do Christians believe about caring for people?	What do some religions say about caring for people?	How have some people showed they cared?	How is the golden rule and encouragement to care?	

why does it matter?								
History What is the 'Space Race' and who is involved?	Who has been into space? (Explore animals and people).		How do people survive in space? (Explore space food).	Who is Neil Armstrong and why is he significant? (Exploring the past)	Who is Tim Peake and why is he significant? (Exploring the present)	Who is Alyssa Carson and why is she significant? (Exploring future aspirations)	What adversities have scientists faced?	
Art and Design Technology Cooking focus				The astronauts want to be welcomed back down to Earth with some tasty, healthy food. They want us to design a new type of 'healthy' pitta pizza which they will enjoy for their return. Investigate the parts of a pizza.	Design their final product through drawing what they want their final product to look like.	Making - children to follow basic instructions but make sure to tweak depending on their design.	Evaluate their final product.
