

## Communication & Language

- Use new vocabulary related to stories
- Enjoy listening to a range of longer stories and remember what happens
- Begin to understand questions and making predictions about stories- eg. what do you think happens next?
- Learn new vocabulary related to stories
- Be able to talk about the stories we've read and share our favourites
- Begin to use story language in our play

## Weekly focus & story of the week

- **Witches** - Potion Commotion
- **Aliens and space** - Aliens love Underpants
- **Giants** - The Smartest Giant in Town
- **Dragons** - Zog
- **Superheroes** - Supertato
- **Unicorns** - Sugarlump and the Unicorn

## Understanding the World

- Explore and talk about different forces they can feel
- Talk about our world and seasonal changes in the environment
- Talk about the differences between materials and changes we notice
- Explore world and environments different to our own
- Develop positive attitudes about different religious beliefs
- Use all our senses in hands on exploration eg. making potions, slime

## Personal, Social, Emotion Development

- Engage in conversations based around our school value.
- Play with one or more other children, extending play ideas and beginning to create our own imaginative worlds
- Continue to begin to be increasingly independent eg. changing for PE, doing up our own zips and putting on gloves
- Consistently follow our class rules and understand why they are important

# Nursery Enchanted Worlds

Term 3

## Exploration & Design

- Begin to develop more complex pretend play based on stories eg. using costumes, props creating our own small worlds, etc.
- Join different materials and explore different textures
- Explore colour and colour mixing with different materials
- Explore musical instruments and begin to develop control when playing them
